

KARMA

i'm not a fool
yet i'm so uncool
tell me when does karma get it right

and i'm not a bitch
yet i'm always sick
tell me when does karma get it right

be the ball
be your own god
feel the liquid liquid
here me call

be the ball
be your own god
here me call

tell me when does karma get it right
tell me when does karma get it right
hey yeah

be the ball
be your own god
